**BASE BALL.**

Saturday was a great day for football and the crowds witnessing the many games exceeded in size all expectations. Local interest was centered on the Tigers-P. A. C. contest at Pittsburgh, which ended 14 to 0 in favor of P. A. C. The game was stubbornly fought and all things considered, the Tigers are to be congratulated. They put up a fine game against tremendous odds. P. A. C. refused to allow Mr. Carl Lang to act as referee, and insisted upon having its own officials. The Tigers asked, of course, but were forced to play, or lose their share of the gate receipts. When a safety was chalked up against them, amounting to two points, an unfair decision that many of the spectators heated at, they were again told that the game must be finished, or no money would be forthcoming. Then within a few minutes of the end of the last half, Will Edwards crossed P. A. C.'s line for a touchdown, but the referee called him back, saying the whistle had been sounded before the ball was in play. This was robbery with a vengeance. There is no player in the country more willing to concede to opponents that Captain "Bob" Edwards, in fact, he's really too easy, but he admits that P. A. C. should have won by a score of 12 to 6. This takes into account the Tigers' touchdown, which they made in all fairness, and the safety for the Tigers, which wasn't. The referee of the Edwards boys falling on the ball a foot in front of the goal.

It is an old cry to blame defeat on the umpire and referee, but there is something in it sometimes. When a large part of the 1,000 people in a game cheer the last man to take part in a free-for-all fight. There were many complaints of slugging; these complaints coming mostly from the visitors. The Post says that the Tigers scored, but that it didn't count, owing to the referee blowing his whistle.

The Tigers tried to arrange for a return game, and offered P. A. C. all kinds of inducements, but P. A. C.'s dates are filled, it was said. The locals are confident they can beat the Pittsburghers, and their showing with a patched up team is one not to be ashamed of. Before they left for Pittsburgh a few of their old players did some "knocking" and refused to play. Hereafter their services will not be requested. The eleven that started to play, was composed of: R. Edwards, W. Edwards, W. Edwards, R. Edwards, W. Edwards, McFarland, Specht, Barrett, Wilson, Davis, Handian, Gray, Wilson and Specht after being knocked out were relieved by Wolvington and Kincheloe.

The West Virginia University boys, who were beaten by W. & J. 12 to 0, Saturday, want to play the Tigers here Thanksgiving Day. They want more of a guarantee than the Tigers like to give. Two or three other college teams are after the same date here. With the West Virginia team, it is likely one of them will be selected. The Tigers' next game occurs Saturday, against Greensburg, which is much stronger than P. A. C.

## BOXING.

The boxing contest which takes place this evening at an East End hall, will not be a "fake" as reported in the Sunday papers, and a good, interesting article of sport is promised.

## AMUSEMENTS.

Innes, the great band master, has gone to Europe on business and incidentally for his health. He is a sufferer from rheumatism, and hopes to find permanent relief in the springs at Carlsbad. He is to be absent about three months. His band finished a very successful season on the road October 1, and Mr. Innes lost no time in getting away for a rest. This was Mr. Innes' last chance for a vacation for a long time to come, because his band began a winter tour the first week in February, and is booked slightly through the west and south until the opening of the summer season.

## "VANITY FAIR."

The successful burlesque company "Vanity Fair" will be at the Grand Opera House on October 28.

Sometimes a burglar only succeeds in damaging the lock of a safe so that the combination won't work. Next morning the bank officers can't get at their own money. There comes a time when the burglar is in a hurry but if their credit depended on getting at it in a hurry they would be bankrupt.

It is a fact that the combination of food and medicine is the best for the sick. The food is the most important part of the combination. It is the food that gives the body the strength to fight the disease. The medicine is the second part of the combination. It is the medicine that helps the body to fight the disease. The combination of food and medicine is the best for the sick.

**Fifty Years Ago.**

President Polk in the White House chair, while in Lowell was Doctor Ayer's. Both were busy for human weal. One to govern and one to heal. And, as a president's power of will sometimes depends on a liver-pill, Mr. Polk took Ayer's Pills to throw his liver, 50 years ago.

**Ayer's Cathartic Pills**

were designed to supply a model purgative to people who had so long injured themselves with gripping medicines. Being carefully prepared and their ingredients adjusted to the exact necessities of the bowels and liver, their popularity was instantaneous. That this popularity has been maintained is well marked in the medal awarded these pills at the World's Fair 1893.

## 50 Years of Cures.

30 and 40. This organization is conceded to be the best of its kind now existing. Everywhere, both this and last season, "Vanity Fair" has played to great success and done a business phenomenal in receipts. There is no doubt but that it will meet with as much encouragement here as elsewhere, judging from the members of the company, who are so favorably known for individual good work that their names will draw the most exclusive witnesses their wonderful feats and specialties. Among the many are: Harry & Jarvis, Mitchell & Jess, Mahr Sisters, Marguerite Tebeau, Nellie Berwick, Shevett & Newell, Bessie Stanton, La Belle Parnon, Annie Newell and twenty handsome girls in the choruses who can sing like nightingales.

**THE COUNTRY CLUB.**

The adjourned meeting of the stockholders of the Country Club will occur at the chamber of commerce this evening at 8 o'clock. At this meeting the board of directors will present their report on the different locations for the club house. The site will probably be selected at this meeting.

## PENNSYLVANIA INDUSTRIES.

Interesting Statistics Concerning Iron and Steel Workers of that State.

**HARRISBURG, Pa., Oct. 24.**—The advance sheets of the annual report of J. F. Clark, chief of the bureau of industrial statistics, have just been issued. The report was prepared under the direction of Captain Clark and Secretary of Internal Affairs Latta, and is the most complete and most comprehensive ever issued by the department.

In 1896, there were employed in three hundred and sixty-four establishments considered in the report, 119,570 persons, with an average number of days employed of two hundred and seventy-six. The average value of each person was \$1.59 and the value of the product \$18,587,515. The total production of pig iron was 4,236,350 tons, the value of which was \$45,172,039. There were employed in the production of this pig iron 11,484 persons, exclusive of office help and management, with an average daily wage of \$1.37. The total production of black plate and dipping works combined had a total product of tin and tern-plate of 139,583,703 pounds. The report shows that Pennsylvania is the largest single plant producer of the plate in the world.

The strike and lock-out in 1896 numbered sixty-eight, exclusive of the general strike among house painters that included two hundred shops. Twenty-four of these strikes were ordered by labor organizations. Twelve were successful and eleven partially so. The total number of days lost on account of the strikes was 225,854.

## Naval Affairs.

**WASHINGTON, D. C., Oct. 24.**—In his annual report to the secretary of the navy, Philip Hichborn, chief constructor of the navy, says that the strength of the navy on October 1, was one hundred and forty-one vessels all told, including the ships of both old and new navies. It is stated that during the last few months of the last fiscal year a considerable amount of work upon vessels that had been authorized by congress had to be suspended owing to lack of funds. This caused a heavy drain upon the appropriations at the beginning of the present fiscal year and makes the exhaustion of these appropriations before the fiscal of next July almost an assured fact.

Chief Hichborn says this is a discouraging state of affairs as the anticipated wholesale reduction of the navy by yard forces and the discharge of competent and trained men.

## Death Revealed His Double Life.

**TRENTON, N. J., Oct. 24.**—The death of Edward Ellis, a potter, has developed the fact that he had a wife living in East Liverpool, Ohio, whom he deserted in 1877. Ellis was living with a woman in Trenton who was supposed to be his wife. Notice of the death reached East Liverpool and the wife came to Trenton and took out letters of administration on the estate of Ellis, which included a house and furniture. One night last week the furniture was removed from the house and the detectives are looking for the woman with whom Ellis had been living, they claiming that the furniture was removed by her.

**MURDERED HIS WIFE**

And Then Attempted Suicide—Deed of an Insane Farmer.

**OIL CITY, Pa., Oct. 24.**—Trade Farran, aged about sixty years, one of the best known farmers in this section and a life-long resident of the oil regions, murdered his wife and made an unsuccessful attempt at suicide Saturday night. The scene of the tragedy was the small farm of the murderer, about twelve miles south of this city, and news did not reach here until this morning, when Farran was brought to the Oil City hospital for treatment.

Farran was found by a neighbor on Saturday night, with the greatest portion of the lower jaw and all of his nose shot away. In pantomime he described the shooting of his wife. He had first knocked her down with the butt of the gun and before she could rise had fired a charge from a heavily loaded double barrel shot gun into her left breast, causing instant death. He then attempted to fire the remaining load into his own neck, but the cap snapped and did not explode. He reloaded the weapon, stepped out into his door yard, placed the muzzle of the trigger with his chin and pulled the trigger with his toe. He was naked when found and his arms recovered. It is supposed that Farran was insane.

**Situation on the Yukon.**

**SEATTLE, Wash., Oct. 24.**—The steamer Humboldt arrived last night with five men from Dawson City, leaving there September 3 and three men from Minok and other points on the Yukon. They say no gold will come out this fall, as this steamer has taken the last of those who have come down the Yukon. The river is already frozen hard and boats are laid up for the winter.

Of the five or six thousand people in Dawson and vicinity, at least 1,000 will be obliged to see from impending starvation. Up to September 3, when the Miller party left Dawson, new arrivals numbered from three to four people daily, and there is no doubt that that ratio will be continued all winter.

There is no doubt that a large amount of treasure will come out from the Yukon basin next year, if the miners can get enough to eat to continue mining during the winter.

Mr. Miller is doing nothing of considerable value has been found this summer. There is not an inch of ground unexplored on the Klondike.

## Beat the World's Record.

**LOS ANGELES, Cal., Oct. 24.**—Searchlight, the three-year-old son of Dark Knight, has beaten the world's fastest record of 1894, for three-year-olds, going the mile in 2:07 flat. The first quarter was in 34, the half being reached in 1:02. At three-quarters the watch showed 1:35, and the mile was reached at 2:07.

## MARTIN'S FERRY.

Haps and Minaps in the Thriving City Across the River.

The contract for the electric plant at the new tin plate works to be erected at the Laughlin mill has been awarded to the contract of Totten & Hoge for the iron buildings calls for the completion of the buildings by the first of January, and the other buildings are to be completed by December 1. The excavations for the foundations for the rolls, engines, etc., is to be completed by the first of January. The work is going nicely, and the indications are that the new tin mills will be finished and in operation considerably earlier than was first supposed. The people of Martin's Ferry can thank the Republican party for the present tin plate works and the one to be erected.

## "THE CONFEDERATE SPY."

"The Confederate Spy" was again presented to a large audience by home talent at the Martin's Ferry opera house on Saturday night. For the first time, the play was presented in a new and improved manner. The leading characters were Jess Hipple, George Cooke, William O'Neil, John Blumenshine, H. W. Gauding, H. E. Koehline, S. D. Cox, William Hess, Miss Linn Hennig, Miss Maggie Howell and Miss Esther Birger.

## AGED RESIDENT DIES.

Mrs. Johanna Horigan, residing on Penn street, died yesterday afternoon, aged eighty years. She was the daughter of Daniel and Katherine Doherty, and was born in Ireland. The funeral will take place from St. Mary's church to-morrow morning at 9 o'clock.

## MARTIN'S FERRY BRIEFS.

Rev. Bishop Boyd Vincent, of Cincinnati, preached a very powerful sermon at St. Paul's Episcopal church last night. The capacity of the edifice was taxed to its utmost. Special music was rendered, including a solo by Dr. J. O. Brown of Bridgeport. A class of fourteen was confirmed.

Rev. Edgar C. Bailey tendered his resignation as pastor of the United Presbyterian church at the morning services yesterday morning, the resignation to take effect in December. The Rev. Mr. Bailey will exchange pulpits with the Rev. Mr. Littell, of Wheeling, next Sunday.

A vote for the Democratic candidates for the legislature is a vote for a free trade and free silver senator. Every vote cast for the Democratic ticket is a vote for a return of hard times.

The second monthly literary meeting at the Second Congregational church on Saturday night was very largely attended, and much enjoyed by all present.

Mr. and Mrs. Alex. Williams, of Missouri, formerly of Sewellville, called on Thomas E. Barber Saturday, the first time they had met for twenty years.

The Harvesters' Club will be entertained at the home of Philip Johnson next Friday evening.

The first rehearsal of the choral club will be held next Saturday evening.

**Suffered 20 Years.**

MR. MARY LEWIS, wife of a prominent farmer, and well known by all old residents near Belmont, N. Y., writes: "For twenty-seven years I have been a constant sufferer from nervous prostration, and paid large sums of money for doctors and advertised remedies without benefit. Three years ago my condition was alarming; the least noise would startle and unnerve me. I was unable to sleep, had a number of sinking spells and slowly grew worse. I began using Dr. Miles' Restorative Nervine and Nerve and Liver Pills. At first the medicine seemed to have no effect, but after taking a few bottles I began to notice a change; I rested better at night, my appetite began to improve and I began to feel better. Now I am as nearly restored to health as one of my age may expect. God bless Dr. Miles' Nervine."

Dr. Miles' Restorative Nervine is sold by all druggists under a positive guarantee, first bottle benefits or money refunded. Book on diseases of the heart and nerves free. Address: DR. MILES MEDICAL CO., Elkhart, Ind.

## BELLAIRE.

All Sorts of Local News and Gossip From the Glass City.

The country committee has completed all arrangements for Senator Hanna's visit to the river towns and he will complete Martin's Ferry, Aetna and Bridgeport in the afternoon and early evening and arrive in this city on the C. & W. road to speak at the meeting at the Elvian theatre. This meeting will be presided over by Mr. W. C. Berglund, the candidate for county treasurer, who will introduce Hon. C. L. Weems, the first speaker of the evening. Mr. Weems is a strong power in politics, an entertaining speaker, and he will delight the Bellaire audience until the arrival of Senator Hanna and Congressman Danford, together with the balance of the party who will visit all the river front towns during the day. Hon. Charles J. Howard and Mr. E. B. Armstrong, the clean, sterling and popular candidates for representatives, will be with the Senator Hanna party during the day and here at night. It will be a great day for Republicans and the message of good cheer and prosperity will be heralded all along the line in full keeping with the announcement of the Advance Agent of Prosperity last fall. The Elvian theatre in this city is not half large enough to accommodate all who attend and who want to see and hear Senator Hanna.

## THE BELLAIRE STRIKE.

A number of men arrived here Saturday night to take places in the Bellaire mill, and it is said the management has provided stores, pots and kettles for a culinary department in the works. Some of the men who were at work have quit and new ones are being brought in.

## BELLAIRE BRIEFS.

Rev. Father O'Boylan, pastor of the St. Francis church at Newark, O., conducted services yesterday at the St. John's church in this city. He delivered a lecture last evening at that church to a large audience, subject, "The Queen of Angels." Father Wehrle, of this city, presided at his church during his absence.

Heatherington's brass band serenaded Frank Marling Saturday evening at his home in the Fourth ward, he being the last member of the band to become a benedict.

Harry Bamford will work in the Baltimore & Ohio office in Wheeling hereafter. Walter Keure has secured his position in this city.

Rev. C. M. Watson has returned home from Indianapolis, Ind., where he has been attending a meeting for the past week.

George Netz, formerly of this city, but now of Toledo, is spending a few days with friends and relatives in this city.

A trick bicycle ride gave a performance on Union street Sunday afternoon and attracted quite a crowd.

Mrs. James C. Tallman and baby have returned home from St. Clairsville, where they visited relatives.

Mrs. James Keever and son, of McKeesport, Pa., are the guests of friends on Bridge street.

Allen Langley, of Dunkirk, Ind., is the guest of friends and relatives in the First ward.

DeWitt Danford and son Cook, spent yesterday with relatives in Crabapple. Mrs. Harry Oliver and baby are spending a few days with relatives at Glencoe.

Something to Depend On.

Mr. James Jones, of the drug firm of E. & Son, Cowden, Ill., in speaking of Dr. King's New Discovery, says that last winter his wife was attacked with La Grippe, and her case grew so serious that physicians at Cowden and Fairport, Ind., advised her to go to the doctor to develop into Hasty Consumption. Having Dr. King's New Discovery in store, and selling lots of it, he took a bottle home, and to the surprise of all began to get better from first dose, and half dozen dollar bottles cured her sound and well. Dr. King's New Discovery for Consumption, Coughs and Colds is guaranteed to do this good work. Try it. At Logan Drug Co.'s drug store.

DISFIGUREMENT for life by burns or scalds may be avoided by using Dr. Williams' Pink Pills. The great remedy for piles and for all kinds of sores and skin troubles. Charles R. Goetz, Market and Twelfth streets; Chatham Sinclair, Forty-sixth and Jacob streets; A. E. Schell, No. 60 Main street; Edgar Bros., Penn and Zane streets; Bowie & Co., Bridgeport.

**This is what**

a prominent physician says: "I have given my own children the benefit of very careful study in the matter of absolute cleanliness in bottle feeding. I have studied the so-called easily-cleaned nursing bottles, and I long ago came to the conclusion that a little Pearline would render ordinary nursing bottles the safest utensils of them all. I firmly believe that children properly fed and cleanly fed will avoid the majority of the difficulties which they encounter during the first two years of life. I believe that if every feeding bottle was washed with Pearline, many innocent lives would be saved."

Surely, this is a matter to interest every mother. Nothing so thoroughly cleanses as Pearline.
